Dear Dan,

RE: United States Patent Application Serial No. 09/473,713
Filed: 29 December 1999
Title: Methods and Compositions for Mitigating Pain
Your Ref. No. 50299/003001
Our Ref. No. 1999-028-01US

Further to our recent telephone discussion, I enclose for your records a copy of the Notice Regarding Power of Attorney recently received from the U.S. Patent and Trademark Office in respect of the above-captioned patent application.

As you can see, the USPTO believes that the previously-filed Power of Attorney was incomplete because it was not signed by three of the Inventors. However, you filed an associate Power of Attorney, signed by me, and appointing the agents/attorneys at Clark & Elbing, which did not require signing by the inventors.

Please file an appropriate Response to the Notice, and do not hesitate to contact me should you wish to discuss this matter.

Thank you for your assistance.

Yours very truly,

A handwritten signature in black ink that appears to read "Steve".
